Proposed Leisure Centre Refurbishment and Extension Questionnaire

Dear Resident

In issue 1 of the Bulletin Board : News from BRQM, you were informed of the proposal to refurbish and extend the Leisure Centre. Could you please spare a few moments to complete this questionnaire to let us have your comments and views on the proposal.

What are your views on the proposed Leisure Centre refurbishment and extension?

It is proposed that the floor space area gained in the extension becomes a new class/dance studio, what are your views on this?

The proposed layout is to use the lower Gym for Free Weights, Boxing and Resistance Machines with the upper space becoming the Cardiovascular area, what are your views on this?

To enable the refurbishment it is necessary to close the Leisure Centre for the duration of the works (probably 2-3 weeks), what are your views on this?
